

Identify Yourself For Life

Welcome to our 2009 Spring Newsletter!

This is the second of 4 quarterly Newsletters you will receive this year!

Hundreds of success stories have poured in from the American Medical ID “Tell Us Your Story” contest! Thanks to all who took the time to share. Winning entries will be posted by May 1st. Read our Life Stories.

In gratitude to those who submitted a story (and even to those who did not) we are offering – for the first time ever – FREE STANDARD SHIPPING AND HANDLING for any American Medical ID purchase! Offer is available through May 15th.

The e•MedTAG is an exciting new product coming soon! It can be a perfect complement to the medical ID you wear daily. You’ll be hearing more in the weeks to come.

Don’t forget Mother’s Day is coming soon...May 10th to be exact. Why not show your love with a custom engraved locket or other engraved gift? We do more than just medical IDs!

As always, we’ve selected a few health related articles we thought you’d find of interest, including the increasingly popular recipe suggestions.

Until next time,
Rick Russell
President and CEO
American Medical ID
