

“There are three members in my family that wear medical IDs. The information on all three medical ID bracelets in my family could mean the difference between life and death. While I know they won't prevent something bad from happening to me or my loved ones it gives peace of mind knowing that the proper professionals would know how to treat any of us in the event of an emergency.”

— Eleanor R

Mail-in Order Form

Mail form with payment to American Medical ID,
P.O. Box 925617, Houston, Texas 77292-5617
